## **General Conditions of the British European & Overseas P&I Insurance**

### **Clause 1 Subject of the Insurance**

- 1.1 The Insurers provide P&I cover according to these General Conditions of Insurance and according to special agreements included in the policy against costs, expenses and damages which the Assured has paid to third parties.
- 1.2 The Insurance under these conditions is not to be considered as an all risks cover. The cover only includes those perils which are named in these conditions, in so far as the policy does not state something different to a limit of liability as specified in the cover note.

### **Clause 2 Consortium**

- 2.1 According to these conditions 'Insurers' are companies participating in the Charterer's Liability consortium or P&I Facility as applicable.
- 2.2 The companies participating in the Charterer's Liability consortium or P&I Facility as applicable are not jointly and severally liable, but only in proportion to their share.
- 2.3 DGS Marine Management Services, London, have been appointed by the participating Insurers as Managers ("the Manager") of the P&I Facility or in the case of Charterer's Liability by the companies as Managers of Charterer's Liability.
- 2.4 Any notification and declaration the Assured has to make to the Insurers according to these Rules must be directed towards the Manager and is deemed to be served to the Insurers as soon as the Manager receives the same.

### **Clause 3 Co-Assureds**

- 3.1 The Assured can apply for the inclusion of third parties in the insurance contract as Co-Assureds. The inclusion of Co-Assureds in the insurance contract is at the Insurers' discretion. It can be made conditional upon payment of an additional premium.
- 3.2 Unless agreed otherwise the Co-Assured is covered on the same conditions as the Assured under whose contract he is co-insured. If the insurance contract refers to third party liability risks, the extent of the cover is limited to the cover the Insurers would have granted the Assured under the contract of insurance if claims had not been made against the Co-Assured but against the Assured.

**Registered No. 0170366**

- 3.3 Whenever these terms and conditions refer to conduct of the Assured the referral also applies to the conduct of the Co-Assured. It also applies in case the Co-Assured is not to be considered a representative of the Assured.
- 3.4 The Assured and the Co-Assured are entitled to cover for only once per occurrence of an insured event as described in provision of the cover note. Subject to payment of an additional premium a different agreement can be concluded. In the absence of such an agreement the Assured's claim for cover has priority over that of the Co-Assured.

#### **Clause 4 Good Faith**

All parties concerned shall act in the utmost good faith.

#### **Clause 5 Obligation to disclose precedent to the policy**

- 5.1 Before the conclusion of the insurance contract the Assured shall disclose to Insurers every circumstance known to him and material for the decision to give cover. With regard to Charterer's Liability insurance and in the case of a frame contract with each notification and in the case of an open cover with each declaration, unless the circumstances are common knowledge.
- 5.2 Such circumstances as may come to the knowledge of the Assured before the acceptance of his application by Insurers must be passed on to them forthwith.
- 5.3 Unless otherwise provided a failure to disclose a material circumstance or a misrepresentation of same, shall discharge Insurers from liability. The same applies to the failure to disclose a material circumstance because the Assured was not aware of it and his ignorance was due to negligence or wilful misconduct.
- 5.4 Insurers remain liable if they were aware of the concealed circumstances or of the misrepresentation. This principle also applies if the disclosure was not made without the Assured being at fault. In the latter case the Insurers are entitled to an additional premium.
- 5.5 Circumstances are deemed to be material particularly if, they were misrepresented by the Assured, and he had declared his statement to be correct; furthermore such circumstances as were wilfully concealed or wilfully misrepresented; finally, as a rule circumstances expressly inquired about by Insurers.
- 5.6 In case of the insurance being effected by an agent of the Assured it is not only the knowledge of the agent, or what he ought to have known, that is decisive for the discharge of Insurers from liability, but also that of his principal.
- 5.7 If and when Co-Assureds are provided for in the contract of insurance, in case of discharge from liability the Insurers are also released from any obligation to perform in respect of the Co-Assureds.

## **Clause 6 Temporary Cover**

- 6.1 The Insurers may provide the applicant with a temporary cover note prior to acceptance of his application.
- 6.2 The temporary cover note can be terminated by the Insurers without notice, if the premium demanded in respect of the temporary cover note is not paid forthwith or in case the Insurers were not given the opportunity for a technical inspection by an expert appointed by the Insurers within the agreed period of time. The cost of such an inspection is borne by the Assured.
- 6.3 Upon conclusion of the insurance contract the premium paid will be credited against the final determined premium amount. In case of refusal the Insurers retain the amount for the temporary cover note provided.
- 6.4 The aforementioned cover remains in force until acceptance of the insurance application or in case of the proposal being rejected, cover is given for one week following notification of rejection. The one-week period commences on expiry of the third day following mailing of the notification.
- 6.5 The temporary cover note is granted subject to these terms and conditions of Insurance. There is no cover for cases, which are based on deficiencies of the ship ascertained in the course of a technical inspection of the ship.
- 6.6 Confirmation of temporary cover does not constitute any obligation to conclude an insurance contract.

## **Clause 7 Ship Owners - Insurance Policy**

- 7.1 The insurance policy contains the name and address of the Assured, the name of the ship covered under the policy, port of registry, the ship's registry number, the IMO number, the risks insured against with reference to the relevant stipulations in these terms and conditions of insurance, any additional agreements, the agreed deductibles and franchises and the commencement and expiry of the cover. 37.3 The costs and expenses incurred in connection with a particular case shall only be recoverable from the Insurer on condition that all lawyers, surveyors and other persons employed in the case are appointed with the prior consent of the Insurers.

37.4. All lawyers, surveyors and other persons appointed by the Insurer on behalf of an Assured or appointed by an Assured with the prior consent of the Insurer shall at all times be and be deemed to be appointed and employed on the terms:-

37.4.3 that they are to produce to the Insurer without prior reference to the Assured any documents or information in their possession or power relating to such matter,

As if such person had been appointed to act and had at all times been acting on behalf of the Assured and notwithstanding that any such advice, reports, documents or information would otherwise be the subject of legal or any other form of privilege.

## Clause 38 Subrogation

38.1 In the event of the Assured being entitled to claim damages against a third party such right shall pass over to Insurers as far as they indemnify the Assured for his loss. The Assured must furnish Insurers with all information necessary for the prosecution of the claim and surrender all documentary evidence in his possession.

38.2 Upon request the Assured must furnish Insurers with a document evidencing transfer of the rights in the form determined by the Insurers. The Insurers bear relating costs.
